

Monday 14<sup>th</sup> March 2016

Dear Parents/Carers,

It's been a very busy but exciting last two weeks here at Brunstane and we are very much looking forward to the final two weeks before the Easter Holidays.

### World of Work Week

Thank you to the 20+ volunteers who came into school to talk to the children about their careers last week. Each class spoke confidently about the different career options which are open to them. It was great to hear our children talking about the fact that there is nothing they can't achieve if they work hard enough and make the right choices!

### Sports Relief

This coming weekend is Sports Relief across the UK. At Brunstane we will be celebrating Sports Relief by having an outdoor assembly on Friday (weather permitting) focussed on the importance of physical activity to improve our health and well-being. **All children are welcome to come to school in sports clothes or can get changed into their PE kit when they arrive.** We will be outside for about 45 minutes so bringing a warm jumper is advised. Children are welcome to make a donation to Sports Relief but there is no obligation to do so.

### Parking

Thank you to all of the parents, carers and families who are making an effort to park safely in the streets around the school. It does get very busy at the start and end of the day so if you're coming by car please make sure you park safely and legally. Police are carrying out patrols and spots checks across the area. Remember the safety of all of our children is everyone's responsibility.

### Curriculum Rationale

We have been working together as a whole school to design our curriculum. We want parents, carers and families to know why our children learn what they are learning and how they learn about it. We have created an animation, movie and poster to explain the rationale for our curriculum. These have been created by our children along with members of the school management team. We have shared all three through our school twitter page and these will be available to watch/look at Parents Evening.

## **Parent Consultations**

A reminder that Parent Consultations are this week on Tuesday evening and Thursday afternoon. If you are unsure of your time or need to re-schedule please call the school office. We hope you enjoyed reading Learning Profile 2 last week. Please send any feedback sheets back to school asap.

Most importantly, P4/5 will be selling cakes as part of a new enterprise project on Thursday afternoon. Please bring your purses and wallets!

## **Easter Assembly**

Our Easter Assembly is on Thursday next week at 9.30am. All parents, carers and families are very welcome to attend. The children in Miss Fowler and Miss Black's classes will be leading the assembly and Rev Moffat will be visiting. If you do not want your child to attend the assembly please let me know in writing by Friday 18<sup>th</sup> March.

## **End of Term**

The Spring Term ends next Thursday at 3pm/3.15pm and the Summer Term begins on Monday 11<sup>th</sup> April at 8.50am. The following Monday is the Spring Holiday so school is closed to staff and pupils.

Wishing you a good week ahead and a happy Easter holiday when it comes.

Yours sincerely

Kevin Brack
