

Monday 31st August 2015

Dear Parents/Carers,

We have had a great second week back at school and our children are continuing to settle back in to their new classes. Our P1s started full days last week and have been doing tremendously well! We are very proud of them!

M.A.D.D. About Brunstane Sharing Event

Hopefully you received a letter last week with details of our upcoming M.A.D.D. About Brunstane sharing event this coming Friday from 11am-12noon. Over the last weeks every class has been doing an 'inter-disciplinary' learning project looking at Brunstane through Music, Art, Drama and Dance (M.A.D.D) This means they have been linking two areas of M.A.D.D. with another curricular area such as Literacy or Social Studies. You may have spotted our classes out and about in the area this week with sketch pads in tow!

On Friday you will have the opportunity to visit your child's class to look at what and how they have been learning in this project. We hope it will be a good opportunity for you to see your child(ren)'s learning environment and say hello to their new teacher.

There will be coffee and biscuits in the hall if you want to stay for a chat before picking your children up at the end of the day.

We are looking forward to seeing you there.

Scottish Gas Volunteers

We are very lucky to have twelve volunteers from Scottish Gas in school today who are helping with a range of improvements to our building and playground area. Special thanks to Louise Watkins one of our P2 mums for organising this!

Parent Council

Our first Parent Council meeting of the new term is this Tuesday at 6.30pm in the meeting room at school. New members are always welcome and we look forward to seeing many of you there.

Weather

Despite the fact that we are still officially in 'Summer' the weather has been pretty wet and quite chilly at times recently. We try to get the children out for fresh air at breaks as long as it is not heavy rain. It would be really helpful if all children could bring their coat to school every day. We never know when the next shower is going to hit!

Playground

Just a reminder to be aware that smoking is not permitted in the school grounds. Thank you to all the parents who comply with this policy.

After School Club

And finally... we are pleased to announce that our after school club has the numbers to go ahead. The club which is run by the Community Centre will run from Tuesday 22nd September. If you expressed an interest in your child being part of the club Rab Hogg will be contacting you shortly. We are delighted that our colleagues from the Community Centre are able to provide this service for our school and we know how highly parents will value the opportunity for after school provision for their children.

Wishing you all a happy and successful week ahead.

Yours sincerely

Kevin Brack
Head Teacher
