

Monday 8th February 2016

Dear Parents/Carers,

We have had a very busy first part of our new term here at Brunstane with lots of exciting learning experiences for children across the school.

We hope you found last week's class newsletters helpful in learning more about what and how your child is learning in school.

Book Fair

Our annual Book Fair has proven very popular this year and the good news is that the Book Fair will be with us until Wednesday for any last minute ordering.

Edible Garden

Our gardeners in P5/6 and P4/5 are doing a wonderful job with our friends from Edible Estates in beginning work on our community garden at the front gates of the school. They are making very quick progress and some trees have already been planted. Fergus and the team are always looking for adult volunteers. Please contact Mr McMillan if you would be interested in helping out.

Community Renewal

We are currently working alongside Sheila and Archie from Community Renewal who are working hard to seek views from the community on how the communities of Magdalene and Bingham could be improved. There will be an opportunity to meet with Sheila on Monday- Wednesday this week at 3pm in the school Meeting Room. All parents/carers are very welcome plus it will keep folk out of the cold in the playground for fifteen minutes-Bonus!

Toys

Lots of our children have been bringing in toys from Santa in their bags since returning from the Christmas holidays. Can we make an appeal to parents/carers to strongly encourage their children not to bring these into school as they can become lost or damaged and such items are not covered by the school's insurance.

World of Work Week

As part of our Skills for Life, Learning and Work programme here at Brunstane we are aiming to provide a high standard of Career Education from the earliest stages of our children's learning journey. It is vitally important that learners from a very young age are encouraged to think about the world around them and their place in it now and in the future.

We are proposing to hold a WoW (World of Work) week in March (week beginning 7th March) We are looking for parents and carers to support this by offering to share their career experience with classes during the WoW week.

If you would be happy to come in and talk to classes could you please fill in the slip below and return to school or alternatively fill in the form on our twitter page.

February Holidays

Finally, a reminder that school is closed next week for the February Holiday. We finish up on Friday 12th at normal finishing time. Pupils resume on Monday 22nd February 2016.

Yours sincerely

Kevin Brack
Head Teacher

My name is _____ and I am the parent/carer of
_____ in class _____.

Please provide us with some information about the job you do.

I would be willing to speak to a group/class about my job/career _____
