

The Panda Room

Newsletter (MLD Class)

Welcome back to school and The Panda Room! We are looking forward to the year ahead and getting to know the boys. **Please follow our class Twitter accounts: @MissHopeBPS**

@MrsRitchieBPS and @SMcCloneyBPS

Routines

We are continuing to settle the boys back into life at school. We are working hard to follow our individual timetables and to follow the daily routines. We are taking part in small group activities as well as having opportunities to spend time together as a whole class.

Social Skills

. This term we are focusing on turn taking. We are encouraging co-operation during time for free play as well as having lots of opportunities to play simple board games together during our group work time.

Stories

This term we will be planning all of our activities around a variety of stories. We have already enjoyed 'Dig, Dig, Digging' and 'Dinosaurs Love Underpants!' We have 'The Snail and Whale,' 'Leaf Man' and 'Room on the Broom' lined up for the next few weeks. If your child has favourite story please let us know and we will try and include it.

The Yard

We have been given the opportunity to attend The Yard fortnightly on a Thursday afternoon for the rest of the term. Here are the dates below:

- 1st October
- 15th October
- 5th November
- 19th November
- 3rd December
- 17th December

Things to Remember:

- **Wellies** - it would be helpful if your child could have a pair of wellies at school as we will be continuing to spend time outdoors.
- **Spare Clothes** - it would be helpful if your child could have a change of clothes in their bag incase they are required.
- **Water bottles** - if possible please send your child with a water bottle each day.
