

1st June 2022

Dear Parent/ Carer,

Sports day is back and you are all invited!

Brunstane Primary school is very excited to invite you all to join us on Friday the 10th of June for Sports Day. We will kick off at 10:00 with potted sports around the back playground. After that we will move to the field for the races. There will be a range of races including an adult one so please feel free to get involved.

We will be dismissing as normal at the end of the day. No child will be released before then due to safeguarding. Thank you with your support in this.

Yours sincerely,

K.Innes

Principal Teacher
